123 Head

Saturday

Oct. 22<sup>nd</sup> 1960

TYLER,  
TEXAS

CONSORT PERFECT BEAUTY — 1959 East Texas State Fair grand champion female — Sells as Lot 28. Left to right: Bernard Friedlander, Shackleford Creek Ranch owner; Carol McCormack, Texas Lassie Queen; Stan Anderson, Judge; and John P. Boren, Jr., Shackleford Creek Ranch co-owner.

## THERE ARE MANY REASONS WHY THIS DISPERSION SALE WILL PROVE A WONDERFUL PLACE TO BUY

There is no question but what the present Shackleford Creek Ranch Shorthorn herd is at its peak in numbers and quality. I've known Bernard Friedlander since he started in the business in 1940. A most successful Tyler, Texas businessman, he has always applied good, sound business judgment to his Shorthorn operations.

John Boren started in the registered Shorthorn business in 1952, in Ennis, Texas. John, also, always liked good Shorthorn cattle, he built his herd around good bloodlines and always bought top bulls, by himself, or jointly with other top breeders. The Friedlander-Boren partnership consolidated two herds into one of the larger ones in Texas and is indeed unfortunate that business arrangements of both the partners now make this complete dispersion a necessity.

A quick review of the breeding will reveal top bloodlines and cattle that have produced favorably wherever they have gone. Early in August, I had the privilege of personally inspecting every animal selling, and I can assure prospective buyers that this is a 100% working herd. Purchases can be made with confidence because all unproductive cattle and unsure breeders have been eliminated continuously in the Shackleford breeding program.

Tyler, known as the Rose Capital of the World, can be reached easily from any part of the country. I sincerely hope that a lot of good, progressive cattlemen will take advantage of the 123 opportunities being offered to the highest bidder on Saturday, October 22nd.

## SELLING 123 HEAD

**27 Bulls** — Included is the four-year-old herd sire, B & B Bamangwato, a bull you can buy with confidence and sired by the top-selling bull in the 1954 Mathers Bros. Sale, Mason City, Ill. There will be 26 two-year-old and yearling bulls, including 6 sons of Imp. Chapelton Consort. Others by Imp. Kair Canute. A good set of well developed, solid color, rugged, smooth bulls that can work real improvement in top purebred and commercial herds.

**66 Females** — There will be 30 cows with calves at foot, 23 cows and heifers close to calving, and 13 open heifers. You'll find outstanding daughters of such bulls as Calrossie Talisman, Kair Victory, Goldfinder Pride, Yarnell's Grand Research, the Arkansas State Fair grand champion; Prince Peter Mason; Cruggleton Rainey; and Edellyn Royal Leader 30th. Included is the **1959 East Texas State Fair grand champion female** by Chapelton Consort, and she will calve before sale date. A group of females that can work real improvement in top herds. Partner-owners Bernard Friedlander and John P. Boren, Jr., have a combined history of nearly 30 years in the business. Other business interests make this dispersion necessary and provides a wonderful opportunity to buy a good Shorthorn bull for use in a registered herd or for crossbreeding in a top quality commercial herd.
